

Sensory Kids Goal Setting

We would like your help in setting goals for your child and family. Please list your top 5 functional goals, or what you hope your child will be able to achieve with therapy. Also, please give us some idea of where your child is currently functioning.

Goal 1: _____

Current level of function: _____

Goal 2: _____

Current level of function: _____

Goal 3: _____

Current level of function: _____

Goal 4: _____

Current level of function: _____

Goal 5: _____

Current level of function: _____
